Normal Beaten by Phoenix High

Phoenix high school was winner by one point over the Tempe Normal school team yesterday, when Coffin of Tempe knocked a pop fly to left field. When the dust cleared and Tempe opened her eyes the score was 2 to 1 in favor of P. H. S.

The Tempe team looked very nice in their bright red suits and they put up a good scrap. If an army recruiting officer had appeared on the scene for recruits he would have probably found several men in the Tempe team too old to enlist.

The game was a fast one from start to finish, made especially interesting by one of the umpires, who had poor eyesight.

Here is the record of the game as seen through the eyes of the scorekeeper:

Seppala Wins Big Dog Race

[Republican A. P. Leased Wire]
NOME, Alaska, April 14.—Leonard Seppala, driving a team of Siberian wolf dogs, won the all-Alaska sweepstakes dog race, arriving at Nome at 2:30 o'clock this morning. Victor Anderson was second, arriving at 7:05. Fay Delzens and his dogs left Council Bluffs, Iowa, at 3:50 a. m.

Seppala's time, 112 hours 34 minutes, was nearly 40 hours slower than the score for the course of 412 miles from Nome to Council Bluffs and return but he was stormbound two days at Topkok, an eskimo settlement on the shore of Bering Sea east of Solomon.

Seppala's dogs averaged 7.83 miles an hour. The race was for a purse of \$2,500 and the long distance dog team championship of the world. Much money had been wagered on the result.

Paul Kjerstad, whose team of dogs was scattered, one killed and another injured by the storm, is making his way over the course, carrying a dead dog and a sick one on the sled.

White Sox and Pastimes Today

There will be a ball game on the Polk street grounds this afternoon, but there will be no Outlaw team in evidence. For once in their young lives, the members of that organization have decided to lay off and allow their ancient rivals the Pastimes and White Sox to fight it out.

As an added attraction, the Pastimes have secured the services of Tognari, who for several years was the father of the amateur ball events of the city. He has returned to Phoenix and decided that the call of the game is too strong for him.

The game will start at 3 o'clock.

Not Fair

A leading milk distributor was talking to a reporter about milk prices.

"Get our adversaries' questions are not fair," he said. "Our adversaries are like the cross-examining lawyer. 'Is it true,' this lawyer asked a witness, 'that you were the only sober man at the banquet?'"

"No, of course not," the witness answered indignantly.

"Who was then?" said the lawyer.

"Jordan," he replied.

First No-Hit Game of Year for Cicotte

[Republican A. P. Leased Wire]
ST. LOUIS, April 14.—Cicotte was in superb form today and shut out St. Louis without a hit. Meanwhile his team-mates drove Hamilton and Park from the box in the second inning when they piled up seven runs. Shotton, who stole second in the first inning, was the only local to reach that base.

The game was a fast one from start to finish, made especially interesting by one of the umpires, who had poor eyesight.

Thirty-eight thousand men are needed—and needed now. The manhood of America is appealed to by President Wilson. Congress has appropriated millions of dollars for the building of necessary ships of war. But men cannot be bought and paid for.

Get your training now. One trained man now is worth ten untrained men when a foreign enemy threatens our national honor.
